

FOR IMMEDIATE RELEASE

2020 Event Dates Announced for Industry's Leading Design Engineering Events

Framingham, MA, October 30, 2019 – Questex LLC announced adjusted 2020 event dates for the industry's leading design engineering events - [Sensors Expo & Conference](#), [Embedded Technologies Expo & Conference](#), and [Autonomous Vehicle Sensors Conference](#) – all taking place at the McEnery Convention Center in San Jose, California. The Sensors and Embedded 2020 events will now take place on June 22-24 with Pre-Conference Workshops on Monday, June 22 and Conference and Exhibits on Tuesday, June 23 and Wednesday, June 24. The Autonomous Vehicle Sensors 2020 event will take place Monday, June 22 and Tuesday, June 23.

“Our goal is to continuously work on building a better show experience and we believe that these new dates will lead to a successful event for everyone. Thank you to our attendees, exhibitors, and sponsors for their patience and to the McEnery Convention Center for their spirit of collaboration so we can ensure this adjustment leads to a beneficial and prosperous show for everyone,” said Cal Groton, Group Director, Questex LLC.

With the adjusted dates, exhibitors can take advantage of several benefits:

- **Two Extra Weeks!** Additional planning and promotion time for exhibitors to plan exhibit and show announcements
- **Monday Move-in!** With a Monday move-in, the end of the show will be Wednesday (previously Thursday), allowing both attendees and exhibitors two additional days back in the work week. More days to work = more potential money!
- **And more benefits!**

The 2019 events gathered over 9,000 attendees across all co-located events, with nearly 400 exhibitors, attracting visitors from 47 states and 53 countries worldwide. With the adjusted 2020 dates, the 2020 events are gearing up to bring the best education, technologies, and networking yet, in celebration of Sensors' 35th anniversary.

Attendee registration will open next month – [sign up](#) for event notifications to be among the first notified as well as to receive special offers. If you haven't signed up to exhibit yet, please contact [Joseph Zuccerella](#) or [Sean Raman](#) today to secure your space!
